Matilda the Musical Conflict Sheet

Student Name: _____

I do my best to work around **EXISTING** conflicts and the majority of the time I can make accommodations. I ask that students and parents do **NOT** schedule **NEW** conflicts on top of the rehearsal schedule. It is difficult to make accommodations for students with last minute notice and the majority of time I do not. Part of the process of being in a theatre production is learning to handle responsibilities and what it means to make a commitment. It is **NOT** possible to accommodate students missing rehearsals or performances on February 06-09, 2020 and the final two weeks of rehearsal January 27-February 05, 2020 (Including strike for High School students on Monday, February 10, 2020).
