

ST. CLAIR HIGH THEATRE TROUPE

Meals and Snacks

The theatre program is collecting a \$60.00 meal fee from each member of the cast, technical crew, and orchestra to cover the cost of their meals and snacks for TWO weeks. I am very mindful of asking students for money, we make a strong effort to have the program cover the majority of the costs for our students. However, the cost of producing a musical is quite expensive. The budget for **Matilda the Musical** will approach \$20,000.00 and our program must raise the money to meet nearly 80% of our projected costs. Unfortunately, this leaves NO room in our budget to handle serving over 750 meals.

What will your \$60.00 fee pay for?

- ★ Approximately 11 meals during the final two weeks of productions (January 27 – February 7), including two lunches during the matinee performances. This is based on \$5.00 per meal, a cost that would be tough to match anywhere. It is simply easier and more time efficient to feed the students at the theatre. Especially at the performing arts center, the availability of food is severely limited and there is not enough time to go off site.
- ★ Bottled water and light snacks will be supplied to the pit orchestra, cast, and crew during performances. This is based on \$3.00-4.00 per person. This works out to less than \$1.00 per snack, again a good value.

Thank you for your understanding and supporting your student's efforts in the performing arts program at St. Clair High School.

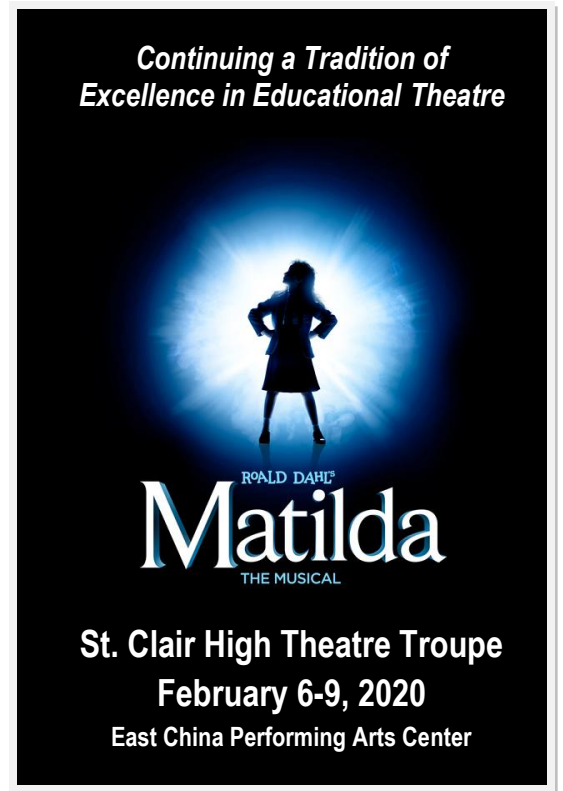

A student does **NOT** have to participate in the meal plan, provided they can consistently bring their own meals to rehearsal each day!

Theatrical Make-Up Kit

All actors, that have not already done so, need to purchase a theatrical make up kit for use in our production of **Matilda the Musical**. Individual makeup kits are strongly preferred because they help reduce the risk of spreading infections. This kit should last a student for multiple shows over several years.

You have two options available:

- ★ Purchase a PERSONAL makeup kit for \$20.00 (covers the cost of the kit and shipping); the kit would be good for approximately 5-6 productions, a good option if you are planning to be in future productions at SCHS – the kit will be yours to take home or you can leave it in our inventory with your name and it will be there for the next production
- ★ Purchase a SHARED makeup kit for \$7.00 – this will be a brand new makeup kit but shared between 3-4 students during the production. Students will be issued personal sponges and applicators.
- ★ Provide your own makeup – this must be theatrical makeup which has a much higher concentration of pigment than normal store bought makeup – generally speaking your normal makeup will not work, it “washes out” in the lights – Mr. Eberhard must approve your make up prior to January 31st!
